### Risk Warning

Forex and leveraged trading involve significant risks and may result in the loss of your capital. Be aware of the risks involved. It is recommended to trade only with funds that you can afford to lose. Leverage trading is not suitable for every trader. Non-leveraged investments, such as stock trading, also involve risks as stock values constantly fluctuate and may result in partial or total loss of capital. Past performance does not guarantee future results. Before starting trading, consider your experience and objectives and seek professional financial advice if needed. Users are responsible for ensuring that they are legally allowed to use Aron Groups' services according to the laws of their country of residence. Please review the agreement form and the broker's general terms and conditions.
